That's the spirit Pep Club!

In Memoriam-Geri Siler December 25, 1968

Every class starts the school year with great anticipation. We look forward to snack period, ballgames, student council, and Pep Club. School parties, assembly programs, field trips, the science fair, Play Night, and Open House all add to our school interest. When the Call to Colors and Pledge to the Flag have been given, we are ready to start our day, and we think, each morning, that this will be a great day if we try to make it so.
